Heavily Reinforce Germans Who Make Fierce Counter Attacks on the British

ALONG TWO NEW LINES FORMED

Determined Drives However London Reports Futile

TOLMINO IS EVACUATED

By the Austrians in Face of An Italian Offensive According to a Report From Paris—German Crown Prince's Troops After the Success of Yesterday Renew Their Activity.

The war situation in Europe is summed up by the Associated Press from official reports as follows:

German resistance to the British offensive along the Somme front took the form last night of strong counter-attacks which at two points made dents in the new lines established by General Sir Douglas Haig's army.

Heavily reinforced, the Germans made a determined drive at the British front. According to the British official account of the fighting all the attacks were futile except those directed at Mametz and Trones woods in the Montauban sector of the British right where some ground was gained by the German columns.

The French have not resumed their offensive in the Somme region, Paris reporting that the night there passed in quiet.

There has been notable activity in the Verdun sector. The crown prince's troops after their success of yesterday in Fumin wood and at the Damloup battery where they gained a footing, struck at the French in the vicinity of Dead Man Hill, west of the Meuse. The attacks there were repulsed.

To the east of the Meuse the French right have reoccupied some of the ground lost in the Fumin wood region. They have also driven the Germans out of trenches near Reillon, in Lorraine, where a footing had been gained and carried out further successful surprise operations in the Champagne.

The Italian offensive has been recently not only in the Trentino where the Austrians have been driven back along distances from their furthest points of advance, but along the Isonzo where Gorizia is the objective.

In the face of this latter movement the Austrians, according to an unconfirmed report through Paris are said to have evacuated Tolmino about 20 miles north of Gorizia.

German harrying of the English coast was continued last night with the bombardment by a submarine of Seaham harbor, a small colliery port on the North sea near Sunderland. One woman was killed but no damage of consequence was inflicted, according to the British official announcement.

ELKS ENJOY CRAB FEAST

(Associated Press Telegram) Baltimore, July 12.—An excursion to Love Point on Chesapeake Bay, to partake of a crab feast was the big event today on the program of entertainment for the visiting Elks and their ladies, here for the annual meeting of the grand lodge of the order. Five steamboats were chartered to accommodate the thousands that thronged the piers early in the morning.

REPORT OF A LIEUTENANT COLONEL

Says American Commander Disregarded Him

PERSISTING IN COURSE

Report Also Says That General Gomez In Supreme Command Told American Officer That He Would Regret Opposing Him With Force—Details of Fighting.

(Associated Press Telegram) Dallas, Texas, July 12.—El Pueblo, official organ of the Carranza government, in its issue of July 1, received here today, printed the official report on the fight between Mexicans and American troops at Carrizal. The report comes from Lieut. Colonel Genovaro Rivas, who took command of the Mexican troops after General Felix Gomez was killed. The report was made to General Gonzales at Juarez and sent by him to Mexico City.

"I have the honor to report to you that on June 21, at 7 a. m., an American force composed of 80 or 100 men appeared here. By order of General Felix G. Gomez, I went out to confer with the commander of said force to learn the object of its presence. He said he was looking for a gang of bandits that were in this vicinity.

"I told him there was no gang of bandits operating in this district, due to the perfect watchfulness of the constitutionalist forces. He then said that he was going to Villa Ahumada to look for a deserter, to which I replied that we had orders not to permit American troops to move in and direction except toward the north. He replied that such orders mattered nothing to him; that he had orders to go to Villa Ahumada and that he would do so regardless of our bullets.

"After I had reported the result of the interview General Gomez personally went to talk with the American commander and received the same answer. General Gomez told him that he would regret very much to be obliged to oppose the Americans with force and made him the proposition that he wait three or four hours until the matter could be (Continued on Page 2, Col. 4.)

WILL TELL HUGHES HE WAS NOMINATED, LAST DAY OF JULY

(Associated Press Telegram) New York, July 12.—Senator Warren G. Harding, chairman of the notification committee, told Mr. Hughes who came to New York from his summer home at Bridgehampton this morning that July 31 was agreeable to the notification committee as a date for the notification ceremonies.

It was also announced today that the campaign committee will assemble in New York, July 20 to meet Mr. Hughes.

Mr. Hughes will return to Bridgehampton tomorrow afternoon.

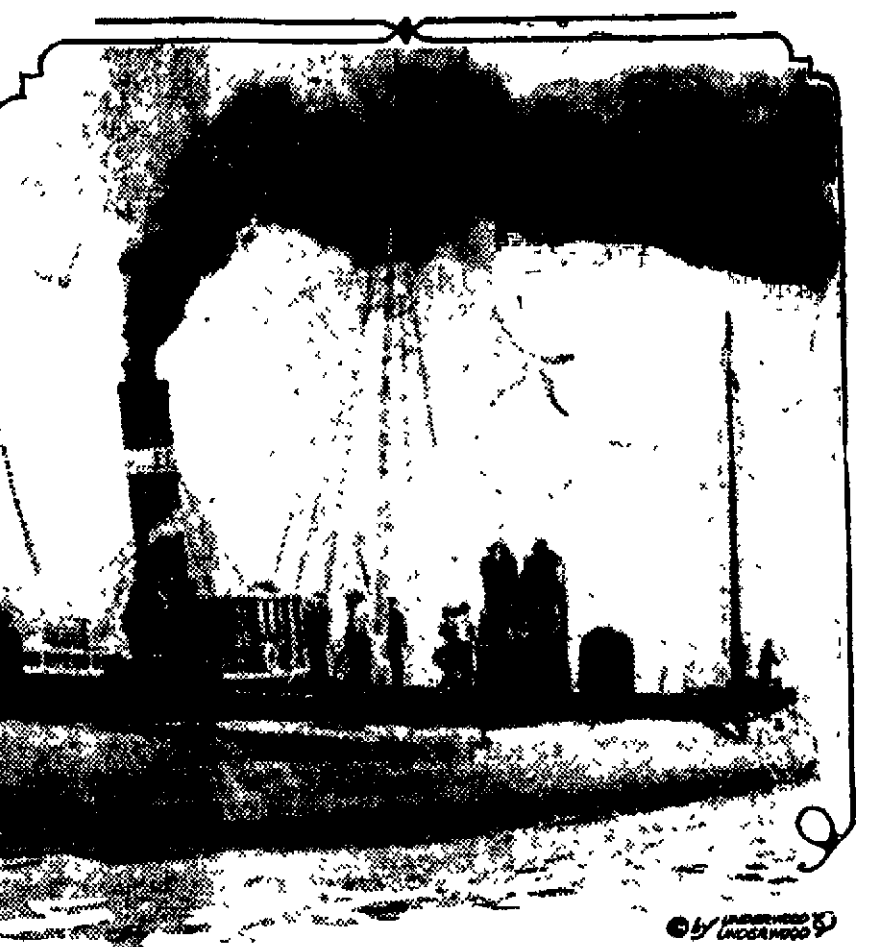

STRIKES RESUME WORK.

(Associated Press Telegram) Springfield, O., July 12.—Work on the Tecumseh hotel, where fifty workmen walked out yesterday when the contractor refused to take action regarding three non-union carpenters who were employed there, was resumed today. The hotel trouble was adjusted.

MORE GERMAN SUPERSUBMARINES WILL DEFEY BRITISH AND VISIT UNITED STATES, DECLARES DEUTCHLAND'S COMMANDER

That more German supersubmarines like the Deutschland will defy the British fleet and visit the United States with costly cargoes of dye stuffs and chemicals is the statement of Captain Paul Koenig, the Deutschland's commander. These huge submarines can carry a cargo worth \$1,000,000. Moreover, they can take back to Germany materials which will be of great value to the kaiser in the manufacture of weapons of war.

Eighth Regiment O. N. G. Ready to Move to Border; Nearly All Are Mustered in

(Associated Press Telegram) Camp Willis, Columbus, July 12.—Ordnance and quartermaster supplies for the complete outfitting of the entire command had been issued to the eighth regiment at noon today. Major Robert W. Mearns, stated as soon as the regimental commander, Colonel Edward Vollrath, had officially notified him of this fact, central department army headquarters in Chicago would be informed the regiment is "reasonable ready" for the service.

Major Mearns, senior mustering officer here, anticipates a quick reply to this notification ordering the eighth to entrain at once for a southern concentration camp or the Mexican border.

With a call to service for at least part of the troops looming more certainly than at any time since the establishment of the camp, guardsmen went about their duties today with renewed equipment, issuing uniforms and other formalities of mustering.

Word from departmental headquarters at Chicago requesting information sought by General Funston of the machine gun equipment of the Ohio troops was generally interpreted at the camp as signifying the regiment's best equipped with such

companies would be given precedence in the ordering of the militia-men from Ohio.

On inquiry of Major Mearns it was learned, the second, the third, fourth, fifth and eighth regiments each have four machine guns, complete equipment, excepting mules and at least 50 men to man them. The sixth regiment has a machine gun company of 53 men, but no field pieces.

The completion of the mustering in of the guardsmen was in sight for the first time today. Captain H. H. Tebbetts stated the headquarters of the second brigade, under Brigadier General John C. Speaks, of Columbus, companies A and B of the signal corps and several companies of both the second and third regiments will be mustered in by tonight.

Medical officers were today examining the remaining companies of the sixth and beginning the examination of the men of the fourth regiment.

Other federal officers were engaged in the checking of the property of the fifth and sixth regiments.

Cavalrymen under Major Dudley J. Hard of Cleveland, whose terms of enlistment in the organized militia are expiring are being held pending receipt by Major Mearns of a ruling from the war department as to whether these men shall be transferred to the regular army or guard reserves or given their discharge.

Major Mearns believes these men are subject to the contemplated call of President Wilson ordering the mobilization of national guard reserves.

According to revised figures announced today by Major Mearns, the following number of men were rejected from the four troops of Ohio guard cavalry, troop A, Cleveland, 7 men; troop B, Columbus, 11; troop C, Cincinnati, 6; and troop D, Toledo, 17.

"Men to fill these gaps have had their applications in for several weeks and every troop will be recruited to full strength in a short time," declared Major Hard.

Sergeant George R. Spaulding, sergeant instructor of the regular army has been detailed to duty with the Cleveland engineers for over a year, today received a telegram ordering him to join his command, company H, United States corps of engineers, at Columbus, N. M. He will leave for that place tonight.

"That regiments equipped with machine guns will be given preference in ordering Ohio national guardsmen to the Mexican border, were found today in a telegram received by Major Robert W. Mearns, senior mustering officer, from headquarters of the Central division of the United States army, Chicago.

The telegram reads: "General Funston requests that commanding officers of the national guard regiments that have not left your camp, wire at once whether or not they are equipped with machine guns giving the make and number. In case any unit is equipped, communicate to the commanding officer."

Major Mearns at once began inquiry of regimental commanders to ascertain which units are now equipped with machine guns.

WOMAN'S BACK BROKEN.

(Associated Press Telegram) Toledo, July 12.—Mrs. Arthur Lane of Chicago is believed to be dying in a hospital here. An X-ray examination indicates that her back is broken, physicians say. Mrs. Feeney was one of the occupants of a big touring car which went into a ditch at Milbury Junction, east of this city yesterday morning.

WILL ACCEPT RESIGNATION OF GOETHALS

(Associated Press Telegram) Washington, July 12.—President Wilson today agreed to accept the resignation of Major General Goethals as governor of the Panama canal zone at an early date to be fixed by the general.

Colonel Chester Harding, now engineer of maintenance in the canal zone, probably will be appointed governor.

EXHIBITORS OF MOTION PICTURES HOLD CONVENTION

(Associated Press Telegram) Chicago, July 12.—The nearly 21,000 delegates to the sixth annual convention of the motion picture exhibitors league of America, got down to actual business today in the first open session. The initial session was held yesterday.

In connection with the convention some interesting figures on the extent of the industry were made public today. They showed the following: Number of picture theatres in the United States, 21,600; daily attendance, 25,000,000; amount invested in picture theatre property, \$50,000,000; salaries paid weekly, \$2,300,000; number of picture theatre employees, 205,000; amount invested in film plants, machines, electrical equipment and theatres, \$2,000,000,000.

ENGLISH PORT BOMBARDED BY A SUBMARINE

(Associated Press Telegram) London, July 12.—The English port of Seaham Harbor was attacked last night by a German submarine. About thirty rounds of shrapnel were fired.

One woman was killed by the bombardment. One house was struck by a shell.

The official announcement says: "At 10:30 o'clock last night a German submarine appeared off the small undefended port of Seaham Harbor (on the North sea 6 miles southeast of Sunderland and a coal shipping port).

"She approached within a few hundred yards of the town and then opened fire. Some thirty rounds of shrapnel were fired from a three-inch gun. Twenty rounds fell in the direction of Daltondale; a dozen rounds fell in and about Seaham colliery.

"A woman walking through the colliery yard was seriously injured and died this morning. One house was struck by a shell. No other damage was done."

AEROPLANES MAKE ATTACK ON CALAIS.

(Associated Press Telegram) Berlin, July 12. (By Wireless to Sayville)—Two German aeroplanes made an attack on the Channel port of Calais on Monday night. It was announced officially today. They dropped bombs upon important army encampments.

TUG MAY MEET BREMEN.

(Associated Press Telegram) Norfolk, Va., July 12.—It is reported here that the tug Thomas F. Timmins is preparing to leave Baltimore for the Virginia capes. Some believe the tug is under orders to meet the German undersea boat Bremen reported enroute to an American port.

RUSSIANS ARE ENGAGED

In Heavy Battles In Extreme Northwestern Corner of Bukowina, Where They Inflicted Further Defeats Upon General Pflienger's Army, Cutting Him Off From Assistance.

(Associated Press Telegram) London, July 12.—Although the extent of ground which has been gained by the British offensive is not great, there is general satisfaction in England at the success attained by the army of General Haig during the twelve days of fighting and the belief exists that the advantageous positions now occupied will make possible greater achievements.

The capture of Contalmaison, Mametz and Trones woods gives the British a line running almost due east and west, so that the Germans to the north can be attacked on the flank when the guns are brought up for the second phase of the operations.

To the south of the river the French are in a position somewhat similar to the British and likewise can attack the German flank south of Belloy and Estrees. For the moment, however, the two armies are engaged in preparing their new positions.

Meanwhile the Germans, renewing the attacks on Verdun have captured Damloup battery which they held for a time at the beginning of June. This position is the point furthest from Verdun in the French line of defense so that its loss is not taken seriously by the French command.

In the east the Russians are engaged in heavy battles in the extreme northwestern corner of Bukowina where they inflicted further defeats on the army of General Pflienger, now cut off from General von Bockmer's forces to the north and also along the Stokhod river, where the Austrians and Germans are putting up formidable resistance. The Stokhod is a shallow river, but marshes on either side impede movements of troops and guns.

BRITISH APPROVE ECONOMIC RULES OF PARIS CONFERENCE

(Associated Press Telegram) London, July 12.—The British government has approved of the resolution adopted by the Paris Economic Conference about the present European war first for the duration of the war; second, during the period of reconstruction and transition from war to peace and third, for the period of permanent peace following the war and reconstruction periods. The conference was concluded June 17.

MEASLES EPIDEMIC AT NASHVILLE, TENN.

(Associated Press Telegram) Nashville, Tenn., July 12.—An epidemic of measles has broken out in the state mobilization camp and one battalion of the third infantry is under quarantine. There are seven cases of measles in the battalion. Officers fear that the epidemic may interfere with their immediate departure for the border.

OUTLAWS MOVING NORTH

Believed It is the Same Band to Which Carranza Referred When He Notified State Department That Villa Forces Intended Attack On American Border.

(Associated Press Telegram) Washington, July 12.—A communication from Mexico City reaching El Paso, Ariz., today is understood to contain instructions as to the form of negotiations by which settlement of differences between the United States and Mexico will be undertaken.

The ambassador made an engagement for a conference with acting Secretary Polk at the state department.

(Associated Press Telegram) El Paso, July 12.—Two battalions of Pennsylvania infantry, one of the Second regiment and one of the Tenth, broke camp here today and prepared to entrain for Marathon, Texas. It was announced at military headquarters that the state troops had been ordered to reinforce the border patrol in the Big Bend district.

The orders followed closely reports from the district that Mexican bandits had raided the Lamula mine, an American property about one hundred miles south of the border and that residents along the frontier near Big Bend, Tex., feared the outlaws were moving north. Belief was expressed in military circles that it was this band that General Carranza referred to when he warned the state department that he was informed that Villa bandits were moving north from Jimenez with the intention of attacking the American border.

Mexican authorities in Juarez said today they were without information concerning the band but assumed if the reports of the raiding of the mine are correct it was done by one of the detachments of the Villa band who scattered after the recent attack on Jimenez.

BETTER CONDITIONS FOR CHIHUAHUA, IS FOREIGNER'S PLAN.

(Associated Press Telegram) Chihuahua City, Mex., July 12.—Plans for the improvement of economic conditions are being made by the foreign residents of this city, it was announced today. The efforts have the support of Gen. Jacinto Trevino, commanding the Carranza army of the north, who asserted that in his opinion the real solution of the problem lies in the resumption of the operation of the mines, smelters and other industries in the state.

He pointed out that in this way the government would be provided with adequate revenue to carry on its functions and that roving men, who through lack of work and resultant hunger, have been forced into a life of banditry, could be given employment.

Americans who fled the city at the beginning of the recent crisis between the two nations are returning and nearly all traces of anti-American sentiment have disappeared.

Investigating What Appears To Be a Deliberate Attempt To Wreck Passenger Train

(Associated Press Telegram) Altoona, Pa., July 12.—Pennsylvania railroad detectives are investigating today what appears to have been a deliberate attempt to either destroy railroad property or to wreck trains at Bellwood, seven miles east of here, late last night and early today.

Shortly before midnight while a local train from Harrisburg was passing a water station west of Bellwood station, there was a terrific explosion and an investigation revealed that a heavy charge of dynamite had been set off with a time fuse.

Later railroad detectives and signal men found 36 sticks of dynamite, about 10 in packages, containing about ten sticks each, with fuses attached. They were scattered over the four tracks and some of the explosive was found in a water trough

between the tracks. Shortly before 2 a. m. there was a second explosion about 150 feet from the Bellwood station. Still later there was an explosion of dynamite in two passenger coaches which had been stored for the night on the Bellwood division tracks of the Pennsylvania at Bellwood.

One of them was so badly damaged that it is unfit for service. An investigation showed that the dynamite in the cars had been set off evidently with time fuses.

Patrols were immediately sent out by railroad officials and all stations in the middle division were notified to be on guard. All trains east and west were held up until the tracks were cleared. It was reported early today, but not confirmed, that the dynamite was planted by two men dressed as women with the aid of accomplices hiding beneath a culvert near where the explosions occurred.

OLDEST CABMAN IN CHICAGO IS DEAD AT HOME

(Associated Press Telegram) Chicago, July 12.—Henry Hogan, familiarly known as "Hungry Hogan," the oldest cabman in Chicago, who in the campaign of 1912 was named by some of his friends as candidate for the nomination for congressman at large from Illinois, and who lacked only one hundred votes of receiving the nomination, is dead at his home here.

Hogan had driven a cab for nearly 50 years, and was known to travelers from all parts of the country. He went home yesterday, earlier than usual, on account of feeling ill, and a few hours later he was dead.

Carranza Troops Engaged in Fighting Villa Bandits, Few Miles Below Parral, Report

(Associated Press Telegram) Chihuahua City, Mexico, July 12. Heavy fighting is in progress between Carranza government troops under General Ernesto Garcia and a large force of Villa bandits at Cerro Blanco, a few miles below Parral according to dispatches received today by Gen. Jacinto Trevino.

General Carranza reported that he was engaged in holding the bandits until the forces under Gen. Matias Rameo and General Domingo Arias, who are proceeding from Jimenez, arrive.

Gen. Hilario Rodriguez, one of the Villa leaders who joined Carranza after surrendering to the Carranza government a few months ago, received a personal from Villa which the bandit chief pleaded with him to return to his old allies and to join him in fighting the "yankee invaders."

This letter was dated San Juan Bautista. In his communication to Gen. Rodriguez, Carranza expressed no sympathy with the attempt to divide the Carranza forces and to divide the Carranza forces in restoring order.

W. C. METZ IS PRESIDENT OF TRUST COMPANY

At the annual meeting of the stockholders of the Newark Trust company, held this morning at ten o'clock, the following directors for the coming year were elected:

A. H. Halsey, president; A. H. Halsey & Co., Wm. C. Christian, director public service; J. R. Davies, attorney at law; Roe Emerson, wholesale and retail clothing; J. S. Fulton, of J. S. Fulton & Bros.; C. C. Metz, capitalist; William H. Smith, president of the P. Smith Lumber Co.; A. B. Schaeffer, of

WALTER C. METZ.

Clouse & Schaeffer; S. F. Van Voorhis, capitalist; W. C. Metz, vice president Newark Trust company.

The directors met today and selected the following named officers:

President—Walter C. Metz.

First vice president—William H. Smith.

Second vice president—Roe Emerson.

Mr. Metz' election as head of the Newark Trust company marks the height of his phenomenal climb in eleven years from the position of clerk through the various offices of the company to the presidency. Mr. Metz following his graduation from Ohio State University, secured a position as clerk for the Newark Trust company in 1905. Under the late Frank P. Kennedy, president of the Newark Trust company, Mr. Metz was made secretary-treasurer which position he has filled during the term of Capt. A. H. Halsey as president of this prominent financial institution. Within the past year Mr. Metz was promoted to the position of vice-president. Captain Halsey declined a re-election as president but remains a member of the board of directors.

Today the directors of the company paid their tribute to the efficient performance of duty by the company's vice president Walter C. Metz, and elected him to head the organization. Mr. Metz is the son of Mr. and Mrs. Charles C. Metz of North First street.

Mr. Metz' successor as secretary-treasurer of the Newark Trust company has not as yet been announced.

VILLAGE MARSHAL BEING TRIED ON A MURDER CHARGE

(Associated Press Telegram)

Medina, O., July 12.—The state was nearly ready to rest its case in the trial of Henry Blakeslee, village marshal, for the murder April 18 of night watchman John H. Gates, when court recessed at noon today. The state will probably finish this afternoon.

State witnesses this morning included C. N. Cannon, who told of having heard Blakeslee speak of his enmity toward Gates and Esther Hall, stenographer, who took a shorthand statement from Blakeslee a few hours after his arrest.

The trial will probably occupy the remainder of this week and part of next.

BANDITS ROB TOLEDO STORE BEFORE NOON.

(Associated Press Telegram)

Toledo, July 12.—Two unarmed bandits robbed Walter C. Woods' store in the heart of the business district just before noon. One of the robbers, with his hand in a bulging coat pocket, backed the two clerks against the wall and threatened to blow their heads off if they did not open the safe. The clerks did not know the combination and the robbers took \$22 and a gold watch from the cash register and fled. The clerks gave an alarm and police captured both alleged robbers after a chase through the business district. They gave their names as Edward Steele, of Tulsa, Okla., and Edward O'Leary, of Cincinnati. The police found they had no guns. The loot was recovered. There were no customers in the store.

TRAIN BLOCKS CROSSING

A Pennsylvania freight train blocked the Cedar street crossing from 9:30 to 10:00 o'clock Wednesday morning, and, upon complaint of residents of that section of the city, Conductor Brown of the train was arrested and fined \$1 and costs in Mayor Higbee's court. Brown stated that the blocking of the crossing was due to the mistake of a new brakeman, and that he, Brown, did not know that the crossing was blocked until arrested by the police.

KILLED WHILE AUTO RETURNS FROM FUNERAL.

Manfield, July 12.—Five persons are dead as the result of an east-bound Pennsylvania freight train striking an automobile just east of Lucas, near Manfield, yesterday afternoon.

Mr. and Mrs. Simon Nau and son Albert and Mr. and Mrs. Peter Baum, all of Loudsville, Ashland county, were returning from a funeral at Manfield. Their automobile, after descending a steep hill, "stalled" on the track and was hit by the freight train. Simon Nau and Baum were instantly killed. The other three were brought to the emergency hospital here but died shortly afterward.

DECREASE IN EPIDEMIC OF INFANTILE PARALYSIS SEEN IN WAVE.

New York Has Facilities for Handling all Cases Thus far Reported—Elsewhere.

(Associated Press Telegram)

New York, July 12.—Despite the worst heat wave of the season, the epidemic of infantile paralysis took a turn for the better today. During the 24 hours preceding 10 o'clock this morning, only 17 deaths from the disease were reported in the five boroughs of New York City. There were 162 new cases.

Mayor Mitchell and representative physicians of the city including the members of the advisory board of health department had a conference today to ascertain whether any further steps can be taken to check the epidemic of infantile paralysis.

The meeting was called as the result of an increase yesterday of 100 per cent in the number of cases reported.

The mayor stated that the city has facilities sufficient to handle all the cases thus far reported and that there are in the hospitals 400 more beds available for patients. While there is plenty of ambulances and nurses, should the present facilities become overtaxed provision has been made to make use of the hospitals at the Ellis Island immigration station.

Warnings against a panic were issued by the mayor and by the health commissioner. The latter said the fatalities from infantile paralysis had not been nearly so great as from other epidemics.

Pursuing the policy of keeping the city clean the food inspectors of the health department announced today that they have destroyed three and a half tons of milk, fruit, lemonade and ice cream which were either spoiled or kept in unsanitary receptacles. Fifty soda water fountains were disconnected because the owners were using unclean glasses.

NEWARK MAN MADE HIT AS GYPSY DANCER

M. J. Reese returned this afternoon from Buffalo where he had been in attendance at the national meeting of Shriners. Mr. Reese left last Sunday with J. A. Flory, driving through to Cleveland in the latter's car, leaving it there and taking the Seandee steamer across Lake Erie.

Mr. Reese states that there were about 150,000 Shriners at Buffalo and the visitors were being shown a magnificent time. The Newark contingent was quartered at the Imperial Hotel at Niagara Falls, taking a train every night for that place.

Last evening was carnival night and the streets were lined with maskers and confetti covered everything. At the Statler Hotel, headquarters of the national officers, hundreds of maskers gathered and danced in the lobby to the music of a sixteen piece orchestra concealed among potted plants and greenery in the balcony.

Mr. Reese was among the revelers being costumed as a gypsy dancing girl. He had the earrings, black curls and all, and made quite a hit when he put on several dances that would have done credit to an original dancer in a "Little Egypt" carnival outfit. An enthusiastic admirer presented the Newarkite with a handsome bouquet and insisted on buying "her" a lavish box of bonbons. The services of the well known

SECY. MCADOO WANTS APPROPRIATION FOR FIGHTING EPIDEMIC.

(Associated Press Telegram)

Washington, July 12.—Congress was to take up today Secretary McAdoo's request for an appropriation of \$195,000 to be used by the public health service in a campaign against infantile paralysis. About \$50,000 would be used in New York, where the disease is epidemic, and the remainder in efforts to prevent spread to other states. It is estimated that the campaign of the public health service will cost \$10,000 a month.

NEW CASES AT CLEVELAND.

(Associated Press Telegram)

Cleveland, July 12.—With the discovery today of two additional suspected cases of infantile paralysis, war on the city's fifth and flies is being waged by the health department, in conjunction with street cleaning and garbage collection departments, was being prosecuted with renewed vigor. Health officers were investigating the cases under suspicion.

"The haughty American commander replied that he did not want to lose more time and that he would pass over us. My general replied that if he thought he was able to do so, to try it."

"The American commander assembled his cavalry and advanced them in firing line against our forces, composed of the Second, Third and Fourth squadrons of the Second regiment, who remained in extended line without making any aggressive movement."

"The Americans opened fire at a distance of 300 metres, to which our soldiers gallantly replied, joining the combat. The fight was intense and lasted for two hours in which our first line sustained the enemy's fire with valor."

"General Gomez having been killed early in the fight, I assumed command and ordered the advance of the first squadron of the second regiment against the right flank of the enemy and another squadron on the left. The movements were made promptly and with precision, forcing the enemy to flee, abandoning their dead, their horses and arms. The enemy dead were 12 and we captured 22 prisoners."

The report gives the names of 30 Mexicans killed of whom 11 were officers and 43 wounded, of whom nine were officers.

fective, Nervous, Run-down People Young
For Great Strangers in Two Weeks
Time, in Many Cases.

New York, N. Y.—Most people foolishly
seem to think they are going to get
renewed health and strength from some
stimulating medicine, secret nostrum or
patented drug, said Dr. Stuart, a well
known specialist, who has studied
widely both in this country and
Europe, when, as a matter of fact,
real and true strength can only come
from the food you eat. But people often
fail to get the strength out of their food
because they haven't enough iron in their
blood to enable it to change food into liv-
ing matter. From their weakened, nervous
condition they know something is wrong,
but they can't tell what, so they gener-
ally commence doctoring for stomach
or kidney trouble or symptoms of
some other ailment caused by the lack
of iron in the blood. This thing may go
on for years, while the patient suffers
untold agony. If you are not strong or
well, you owe it to yourself to make the
following test. See how long you can
work or how far you can walk without
becoming tired. Next take two five grain
tablets of ordinary nourished iron three
times per day after meals for two weeks.
Then test your strength again and see for
yourself how much you have gained. I
have seen dozens of nervous, run-down
people who were ailing all the while
double and even triple their strength and
endurance and entirely get rid of all
symptoms of dyspepsia, liver and other
troubles in from ten to fourteen days.

CONDITION IN OHIO ON JULY 1,
AS SHOWN BY OFFICIAL
REPORTS

Wheat Harvest Late, Owing to Un-
favorable Weather Conditions—
Reports on Other Staples.

The following report is compiled
from returns received from the offi-
cial correspondents of the Depart-
ment of Agriculture of Ohio:

Wheat: Prospects compared with
normal yield, 69 per cent; wheat
damaged by joint worm, 2.5 per
cent; Barley: Prospect compared
with normal yield, 85 per cent; Rye:
Prospect compared with normal
yield, 79 per cent; Oats: Prospect
compared with normal yield, 86 per
cent; Corn: Area in 1915, 3,176,800
acres; corn: area compared with last
year, 92 per cent; corn: total esti-
mated area for 1916, 2,915,965
acres; corn: condition compared
with an average, 78 per cent; corn,
damaged by grub worm, 3.5 per cent;
corn damaged by grub worm, 2.5
per cent; Clover: damaged by white
grub worm, 3 per cent; Potatoes:
Area in 1915, 98,363 acres; area
compared with last year, 89 per
cent; estimated area for 1916, 85,
802 acres; condition compared with
an average, 89 per cent; Tobacco:
Area compared with last year, 83
per cent; Timothy: Prospect com-
pared with normal yield, 97 per cent;
Pastures: Condition compared with
an average, 105 per cent; Horses:
Condition compared with an aver-
age, 94 per cent; Colts number com-
pared with an average, 89 per cent;
Cattle: Condition compared with an
average, 98 per cent; Calves: Num-
ber compared with an average, 94
per cent; Wool: Clipped compared
with last year, 90 per cent.

Wheat prospects show no material
difference from that reported one
month ago. The state average is
now estimated at 69 per cent, or
about 10.3 bushels per acre. Harvest
will be late owing to unfavorable
weather conditions. Damage by
joint worm 2.5 per cent.

Oats show an improvement dur-
ing the past month, the harvest pro-
spect being estimated at 86 per cent,
based upon 30 bushels per acre rep-
resenting 100 per cent.

Heavy and continuous rains
throughout the state delayed corn
planting far beyond the period
when usually all the corn is in, and
a great many fields prepared for
corn have not been planted. This
has had some considerable effect on
the total area as indicated by the
estimate made of area which is 260-
635 acres short compared with last
year. Corn is generally small for
this time of year, and there is great
lack of uniformity in time of plant-
ing; yet this is a crop which pushes
rapidly forward under favorable con-
ditions, and with such from this
period, there will be time for the
making of a good crop on the area
that is up. The comparative condi-
tion for the state is estimated at 78
per cent, of an average. Damage is
reported by the cut worm to the ex-
tent of 3.5 per cent, and by white
grub worm 2.5 per cent.

The area of potatoes has been es-
timated at 89 per cent compared
with an average which is a shortage
of 10,551 acres. Planting was late
and farmers have been unable to
cultivate owing to the heavy rains.
The condition, however, is estimated
at 89 per cent, of an average.

Timothy generally good, though
some is thin, and many fields are
overrun with white tops. Pastures
are generally excellent.

Horses and cattle are in good con-
dition and the number of colts and
calves compare well with past few
years.

JULY 4 COMMITTEE MAKES A REPORT TO MAYOR BIGBEE

The committee appointed by
Mayor R. C. Bigbee to arrange a
program for July 4th, consisting of
Messrs. F. S. Neighbor, Joseph N.
Pugh, Don D. Tullis, Lloyd G. Mil-
lisor and C. H. Spencer, submitted a
report to the Mayor today, showing
the receipts and expenditures of the
committee. One hundred and six
people or firms contracted a dollar
each. Of this sum \$106, the Buck-
eye Band was paid \$81, while \$15
went for car tickets for the Old
Guard, \$6.20 for erection of the
speakers' stand, \$10 for the speaker
and the balance, \$7.80 was sent to
the Board of Education to be placed
in the White Athletic Field fund.
Prof. C. L. Williams made no charge
for his services but as he had been
called repeatedly to Newark to
speak at public gatherings the com-
mittee insisted upon his acceptance
of ten dollars.

The committee desires to thank
the members of the Old Guard, the
girls and boys who took part in the
program and the merchants who con-
tributed prizes for the children. A
list of which has been published in
the newspapers and all others who
in any way contributed to the suc-
cess of the day's program.

The names of contributors of cash
and merchandise prizes have been
published in the newspapers.

Amusements

Alhambra Tonight and Tomorrow.
Ethel Clayton for a number of
years star of the Lubin features, and
who has recently signed a three-year
contract with the World Film Cor-
poration, will be co-starred with Car-
ole Blackwell in "His Brother's
Wife," which comes to the Alhambra
theatre tonight and tomorrow.

The Auditorium.
The Auditorium theatre will offer
today and tomorrow a picture said to
be one of the most gripping dramas
ever produced by the Fox film stu-
dios. It is one that simply bubbles
over with heart interest, suspense
and thrills.

The Star Jose Collins, a most
beautiful stage beauty is seen in the
title role, that of a fascinating peas-
ant, who steps into a net that is
spread for her. It is a most exciting
story of a woman's love and the ad-
ventures it leads the star into. "A
Woman's Honor," is a play that will
appeal to the masses and it gives
Miss Collins, who is a famous Broad-
way beauty, who has starred in the
Winter Garden and other big Broad-
way productions, a great chance for
some clever acting.

See "A Woman's Honor," how a
beautiful woman faced ruin in Na-
ples. The cast is superb and in-
cludes besides Miss Collins, such
clever artists as Arthur Donaldson,
Devore Palmer, Ruby Hoffman,
Mrs. Cecil Raleigh, Bradley Barker,
Anna Reedor, Armand Cortez and
others.

Theda Barra in "East Lynne" Fri-
day and Saturday is the one best bet
that Manager Fenberg has to offer
his many lady patrons of Newark. In
all cities that this picture has been
displayed, the wonder of it all has
been the great many tears that have
been shed over this wonderful pro-
duction. Miss Mary Murillo who
wrote the scenario for this produc-
tion is the writer of such clever
things as "The Unfaithful Wife,"
"Green-Eyed Monster," "The Sold-
iers' Oath," "Parisian Romance,"
"Gold and the Woman," "The Fool's
Revenge," "The Eternal Sappho,"
and others.

Miss Murillo, who is an Irish girl,
previously was connected with the
scenario departments of the Uni-
versal and the Eclair companies. Her
skill attracted the attention of Mr.
Fox, and with his organization she
has worked into movie form many
of the most popular plays and stories
as well as writing several original
scenario stories.

STRUGGLE

ABOUT VERDUN HAS BEEN RE-
CEIVED BY THE GERMAN
COMMANDERS

But Battle of Picardy is Absorbing
Most of Their Attention—Paris
Admits Some Successes.

(ASSOCIATED PRESS TELEGRAM)
Paris, Tuesday, July 11, 11:55 p.
m.—Although the battle in Picardy,
which has been raging for ten days,
is absorbing most of the attention of
the German commanders, they were
able today to revive the struggle at
Verdun, making some advance there
and delivering several sharp local
attacks in the Lorraine and Vosges
sections, probably to conceal the
transfer of troops to the Somme
region.

Having maintained their grip on
the Thiaumont work but failed to
debouch therefrom, the Germans
now are trying to push forward
their left flank. Their artillery was
busy all day yesterday, all night and
this morning they worked up the
bombardment to a pitch equal to any
that has gone before. Then the
bombardment ceased, making way
for the infantry.

One column sought to work its
way along the railroad which runs
around Hill 310 to the Fleury sta-
tion, in the eastern extremity of the
salient but it melted away under the
French fire.

Columns debouching from Vaux
fort however, succeeded in getting a
bare footing after intense fighting
in the Fumin wood to the west and
in the ruined Dambloup battery, one
of the subsidiary outer defenses of
Verdun which lies three quarters of
a mile southwest of the village on
the edge of the Laufe plateau.

The advantage which the Ger-
mans obtained was not great since
the battery is swept by guns Sou-
ville, Tavannes and Bourvaux.

The day's operations on the
Somme were confined to completing
the work of Sunday and yesterday
of clearing the Germans out of those
few isolated positions they still held
in the bend of the Somme opposite
Peronne. The French troops on the
north of the Somme are continuing
their preparation for the next move.

FRAMPTON

Several from here attended the social

MITCHELL & MIRACLE

Don't let the summer's heat lower your efficiency. Don't let it
get the best of you. Equip your office and home with electric
fans. The time you waste mopping your brow will well pay for
the cost.

An electric fan stirs the air, ventilates the room, makes the at-
mosphere fresh and clean. Its breezes are as refreshing as a
wind from the north. A hot day without one is almost unbear-
able.

Don't let another hot day sour your disposition. Order a fan
now. All sizes and types are here. You can attach them on any
socket.

Our stock of fans is rapidly being exhausted, but we still have
some big bargains. Call at our office or phone us—we will deliv-
er a fan to you. Now is the time to wire a room or more in your
house for Electric Comfort.

Obituary

Mrs. Nancy E. Bidwell.
Mrs. Nancy Bidwell died Tuesday evening at 8 o'clock at the home of her daughter, Mrs. Guy Billingslea, 164 North Fourth street. She is survived by three daughters, Mrs. Guy Billingslea of Newark, Mrs. Frank Thier of Granville, Mrs. Frank Thier of Torrance, Ind., and three sons, Edward and William of Toledo and John Bidwell of Newark. The funeral services will be held at the home of her daughter, Mrs. Guy Billingslea, at 10 o'clock, Friday morning. Burial at Cedar Hill.

Mrs. Emily Sterrett.
Mrs. Emily Sterrett, aged 79 years and 6 months, died at 4 o'clock this morning at the home of her daughter, Mrs. William Edmund, one-half mile south of St. Louisville, dissolution being caused by dropsy with which Mrs. Sterrett had been afflicted for some time. The funeral will take place from the Church of Christ at St. Louisville, Thursday afternoon at 2 o'clock. Interment will be made in the Evans cemetery.

Alfred Harvey Dumm.
Alfred Harvey Dumm died Tuesday afternoon, July 11th at 3:19 o'clock at the home of his daughter, Mrs. George Dodson on North Fifth street. He was born in Brownsville, O. 1830, and was aged 85 years, 7 months and 21 days. He was united in marriage to Naomi Bradley, February 29th, 1852. She preceded him to the spirit-world 36 years ago. To this union were born six children, four sons and two daughters. Five grand children, four great grandchildren also survive. Of these are living except one son, William. Those who survive are Mrs. George Dodson and Mrs. Martha Morgan of Newark, L. M. Dumm of Basil, Ohio; L. M. Dumm of Baltimore, Ohio; L. B. Dumm of Licking township.

Later in life he was married to Naomi Hutchinson and to this Union was born one son, Frank R. Dumm of Newark who is now county commissioner. He moved to Franklin township in 1859. By occupation a farmer. He lived there until four years ago when through the infirmities of old age his home was broken up. Since then he has lived with his children.

He was a member of the M. E. church of Ellis Chapel, Franklin township. He was connected when young having lived a true Christian life and kept the faith. He was a patient sufferer, telling those around him when sick that he was ready and waiting and when it was the Lord's will to call him, he was ready.

Beside the children and grand children there is left to mourn one brother Frank R. Dumm of Brownsville, O., and one sister, Mrs. J. R. Poundstone of Newark.

Dearest father thou hast left us. And thy loss we deeply feel. But thy God who has bereft us. He can all our sorrows heal.

Mrs. Harris' Funeral.
Funeral services for Mrs. Fannie Harris were held in her home, 25 1-2 South Fifth street, Wednesday afternoon. Rev. Madison of Columbus officiated. Burial in Cedar Hill.

PAPER ROLLS IN MOVIE MACHINES FOR CELLULOID

Paris, July 11.—The substitution of paper rolls for celluloid films in moving picture machines, made possible by the new "cold" light discovered by the French engineer, Dussaud, which is described to the academy of science by Prof. Branley, with whom Dussaud studied the new light, is obtained by automatic separation of heat rays from luminous rays which occur together in all sources of light hitherto known to science.

M. Dussaud has been working on this problem for many years. The light obtained by his method is so intense that it is possible to throw images from newspaper illustrations, picture postcards and photographic prints on a screen even in a lighted room as clearly and sharply as if they were glass lantern slides.

The Store Where Quality Counts

Granville

[Special to The Advocate]
Granville, O., July 12.—The death of Jackson A. Cada, one of the oldest and most respected farmers in McKean township, occurred at 3 o'clock, Tuesday afternoon, July 11, at his home on the Brushy Fork road, after a prolonged illness. He would have been 83 years old on the 20th of next November. Nearly all of his life having been spent on the farm. He was upright in all his dealings and successful in the management of his large farm. While his wife lived and his health permitted, he attended the Granville Baptist church of which he was a member. He is survived by three sons, Charles Cada of Newark, Joel M. and Edward Cada who live at home and one sister Mrs. Fred Smith. Funeral services will be held on Thursday, July 13, at the family residence, Dr. C. L. Williams officiating. Interment will be made in the Fredonia cemetery.

Mr. and Mrs. J. H. McLaughlin of Columbus called on Granville friends yesterday. They were motor-ing to Lancaster via Newark and Zanesville and professed themselves delighted with the scenery around Granville. They made the trip in a 1917 Paige touring car of handsome appearance.

Mr. Arthur Meyers of Pittsburgh, is in Granville for a few days, visiting his mother, Mrs. Sarah Meyers, in College street.

An automobile party from Granville started for Linville yesterday afternoon with the intention of taking supper there, but finding the road closed some five miles from Newark and the detour seemingly a series of mountain passes, they returned to Newark. Those desiring to take that drive would do well to go via the National road, which is in admirable condition.

Miss Frances Jones who has been visiting friends in Columbus has returned to Bryn Du farm.

The women of the W. C. T. U. are planning for their annual program at the Infirmary next Friday afternoon, July 14. At this meeting they carry flowers and a treat to the people there, usually ice cream and cake. A large attendance is desired.

Mrs. Kenneth Hall of Newark, with her little daughter Frances, was the guest yesterday of her parents, Mr. and Mrs. B. C. Belt in South Mulberry street.

Miss Eva Wilson who has been visiting Mrs. Kenneth Hall in Newark, has returned home.

About thirty-five children of the infant primary department of the Baptist Sunday school along with their teachers enjoyed an automobile ride to Spring Valley Tuesday afternoon, where they had supper and a jolly play time. Charles Deeds, W. H. Chrysler and Burton Case were on hand with their automobiles and conveyed the entire company to the historic spot, each of them making two trips.

Mrs. R. P. Sperry of Newark, with her little son, is spending the day at the home of her uncle and aunt, Rev. and Mrs. C. N. Harford in Elm street.

POLICE COURT.

Frank Evans was arrested yesterday evening on the charge of stealing \$25 from John Wince, a farmer residing north of the city, when both men were staying at a hotel in Zanesville. According to the information of local police officials, it is charged that Wince and Evans were rooming together for the night, and that after Wince had called asleep, Evans went down stairs and obtained Wince's money from the hotel clerk, and then sought refuge in this city. Evans will be taken back to Zanesville for trial.

Elia Craft, charged with being an inmate of a house of prostitution, and with appearing on the public streets, was fined \$25 and costs, with the fine and costs suspended on condition that she leave the city today.

Four drunks were fined \$5 and costs.

The case of two brothers, charged with disorderly conduct, is set for 7 o'clock this evening in the mayor's court.

CHILDREN'S DAY AT JACKSONTOWN.
The Jacksontown U. B. Sunday school held its annual children's day service on last Sunday evening, and the program was one of the best ever given by the school. One of the special features was a vocal chorus by 25 children, dressed in national colors of crepe paper, with caps of festooning; the children sang a song to hyphenated Americans, "Don't Bite the Hand That's Feeding You," accompanied by an orchestra of four pieces, with Walter Schimp, trombone, Merrill Larson, cornet, Earl Norris, violin, and Mrs. M. Blinn, piano; the children all waved a small American flag as they sang, and the effect was beautiful.

The program consisted of recitations, exercises, orchestra music and song and was in charge of Mrs. Anna Swartz and Mrs. Lulu Catlin.

Some of the same program will be given at the Amsterdam church on next Sunday evening.

BLISS, TREASURER G. O. P. COMMITTEE.

[ASSOCIATED PRESS TELEGRAM]
New York, July 12.—Cornelius N. Bliss will be the next treasurer of the Republican National Committee. This was officially announced today at the headquarters of Charles E. Hughes.

Mr. Bliss, who is a New York dry-goods commission merchant, is the son of the late Cornelius N. Bliss, who formerly was treasurer of the national committee. Fred W. Upham of Chicago was named as the Western representative of treasurer Bliss.

OIL SHIP STRUCK MINE.
Paris, July 12.—The American steamship Gold Shell, for New York with a cargo of oil, struck a mine on Monday night and was badly damaged. She was kept afloat until she entered the mouth of the Gironde where she is lighted.

SUNDAY SCHOOL PICNIC WILL BE HELD THURSDAY

What has become of the old-fashioned picnic, where games and dinner bring the old and young together and where our greatest care are the least, where friends meet after a long absence and new friends are found where there is no ill feeling and everyone makes merry.

Thursday, July 13th is the day chosen by the Neal Avenue M. E.

ON THE SQUARE

Sunday school for their annual picnic, which will be held at Mound-builders' park. At ten o'clock there will be games in which each of the Sunday school classes will have a part.

The program has been well selected by Mr. Harter, superintendent of the school and it is only to be regretted that the days are not longer so that more time could be taken for the games and dinner, the latter, of which, will be the most interesting number. A free-for-all dinner will be "pass the ball," contested between the girls and boys of the school. Next will be the high jump by a large class of boys. Other sports will follow, such as "rope climbing," by the boys and foot races by the girls, ball throwing, broad jumping, sack racing, string chewing, needle threading, potato racing, nail driving and bean guessing. Just before the dinner, which will be at one o'clock, the great event of the morning, a ball game, will be played between the single men and the married.

This will conclude the program at 12 o'clock and dinner will follow. So even if you cannot play ball or climb a rope, you will certainly be capable of eating. Everybody come and bring your baskets well filled. Come prepared to stay all day. Everybody welcome. Free lemonade will be served and there will be ice cream and peanuts.

Y. M. C. A. HIKERS.
Thirty members of the Y. M. C. A. cadet class hiked yesterday to the Hartshorn farm three miles west of the city on the Granville road, and spent the day in roaming the woods, playing games, and swimming. Each carried his lunch with him, and at noon the repast was served in a meadow near the creek. The boys were conducted by Calvin Hazlett, Eddie Frenier and Ben Grant, all of the Senior class. The hikers left at 8:30 in the morning, and returned at 3:30 to enjoy another swim in the Y. M. C. A. pool.
